

Le Vignole
Prosecco Extra Dry
DOC Treviso (sparkling wine)

Prosecco Extra Dry is the most classic version of Prosecco (residual sugar 12-17 grams/litre). A soft wine, with a fine and persistent perlage and a pale straw colour. Fruity bouquet, its taste is harmonious, savoury and slightly acidulous.

- **Grapes harvested by hand**
- **Glera in purity**
- **To be served at a temperature of 8-10 C°.**
- **Contains sulphites - 11% vol.**

Prosecco Extra Dry is a very versatile wine. The bubbles are excellent as an aperitif, ideal with cold cuts such as prosciutto crudo or cheeses such as Grana, Montasio or Casatella trevigiana. It also goes well with fish dishes and dry pastries.
